September 8, 2009

Mr. Doug Matatall
President and CEO
TecVana
40 Knights Bridge Road
London, ON N6K 3R4

Dear Mr. Matatall:

Re: City of Dryden Letter of Support for the TecVana Project

The City of Dryden Council received a report and overview from Community Matters at its Council meeting on Monday, August 24, 2009 with respect to your exciting project and a potential opportunity for the City of Dryden to be a part of an emerging technology solution to promote and expand our tourism industry.

The City of Dryden is immensely pleased to advise of Council's wholehearted support in principle for this new and innovative project and to play an important role in its development and implementation. Council has acknowledged and directed that this letter be forwarded to you expressing its eagerness to be a part of such a new and exciting economic opportunity and to participate as a pilot community in bringing the TecVana concept to reality.

On behalf of Council and staff of the City of Dryden, we look forward to working with you along with Community Matters, the Dryden Development Corporation, and the Dryden Marketing Association on this exciting new venture.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Arie Hoogenboom". The signature is fluid and cursive, written over the typed name.

Arie Hoogenboom
City Manager
